

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

WASHINGTON, D.C. 20460

December 21, 2017

I have reviewed the draft Federal Register Notice, "Availability of the Integrated Risk Information System (IRIS) Assessment Plan for Uranium," and approve it for release.

A handwritten signature in dark ink, appearing to read "R. Yamada", is positioned above the printed name and title.

Richard Yamada, Ph.D.
Deputy Assistant Administrator for Research & Development
Office of Research and Development
U.S. Environmental Protection Agency
